Shubh Asawa.

MOTION DESIGNER / VIDEO EDITOR / 3D ARTIST

PROFESSIONAL SUMMARY

Fresh BCA graduate with a genuine passion for motion design, video editing, and 3D visuals. Learning and practising After Effects, Premiere Pro, and Blender consistently for 2+ years — creating reels, motion graphics, and short-form content I am genuinely proud of. Worked with a couple of paying clients and actively growing as a freelancer. Honest, hardworking, and always improving — looking for projects to contribute and grow further.

EXPERIENCE

Freelance Motion Designer & Video Editor

2024 — Present

Self-Employed · Remote

- Worked with 1–2 paying clients to deliver short-form video and motion graphics for social media.
- Edited and colour-graded reels and promo clips using Premiere Pro with music sync and text overlays.
- Created motion graphics and text animations in After Effects for client deliverables.
- Actively building Blender skills through 3D renders and CGI practice shared on Instagram.

Self-Directed Learning & Personal Projects

2022 — 2024

Personal Practice · Ongoing

- Dedicated 2+ years to learning motion design through tutorials, daily practice, and personal projects.
- Created reel edits, 3D animation tests, and typography experiments shared on Instagram.
- Built foundations in Blender (modelling, lighting, rendering) and After Effects (keyframing, expressions).

TOOLS & WHAT I DO WITH THEM

After Effects

Motion GraphicsTypography

Kinetic text animations, lower thirds, smooth transitions and compositing for video.

Premiere Pro

Video EditingColor Grade

End-to-end editing — cuts, pacing, audio sync, and colour grading for reels and promos.

Blender

3D ModellingAnimation

3D scene building, product renders, basic rigging and CGI experiments for personal projects.

Figma & Canva

DesignLayouts

Social media creatives, thumbnails, and static assets to complement video content.

EDUCATION

Bachelor of Computer Applications (BCA)

2022 — 2025

GNIOT Institute of Professional Studies · CCSU University, India
