PROFESSIONAL SUMMARY

Motion Graphics Designer and 3D Artist with 2+ years of experience producing motion graphics, CGI, and short-form video content for brand and social media campaigns. Specializes in bridging 2D motion design with 3D visualization — from kinetic typography and VFX compositing in After Effects to full CGI product renders in Blender — delivering end-to-end creative assets, from concept to final render, for over 15 client campaigns to date.

SKILLS

Motion Design & Animation: Motion Graphics, Kinetic Typography, Typography Animation, Brand Motion Design, Visual Storytelling

3D & CGI: 3D Modelling, CGI (Computer-Generated Imagery), Product Visualization, 3D Visualization, Lighting & Rendering

Video & Post-Production: Video Editing, Visual Effects (VFX), CGI Compositing, Colour Grading

Software & Tools: Adobe After Effects, Adobe Premiere Pro, Blender (Cycles, Eevee), Adobe Illustrator, Adobe Photoshop, Figma

WORK EXPERIENCE

Motion Graphics Designer & 3D Artist — Intern

Jun 2026 — Jul 2026

Creative Banjara

- Collaborated with the in-house creative team to design 10+ motion graphics and brand assets over a 2-month internship, from concept through client-ready final delivery.
- Built and rendered 3D product mockups in Blender (Cycles/Eevee) for internal brand presentations, translating creative briefs into polished visual assets across 5+ projects.

Freelance Motion Graphics Designer & Video Editor

2024 — Present

Self-Employed | Remote

- Produced and delivered 30+ short-form videos and motion graphics across 15+ social media campaigns, maintaining consistent visual identity across all client brands.
- Edited and colour-graded 40+ promotional videos and reels in Adobe Premiere Pro, and animated kinetic typography sequences in After Effects for 10+ digital ad campaigns.
- Rendered 3D scenes, product visuals and CGI studies in Blender (Cycles/Eevee) across 10+ projects, covering modelling, lighting, materials and rendering for product visualization.
- Directed ongoing freelance motion design, branding and video editing for Seyreon, and visual design for Newlexdesigns, delivering 20+ projects end-to-end with on-time delivery across 2 active client accounts.

EDUCATION

Bachelor of Computer Applications (BCA)

2022 — 2025

GNIOT Institute of Professional Studies, CCSU University, India
