PROFESSIONAL SUMMARY

Motion Designer and 3D Artist with 2+ years of experience across motion graphics, 3D animation, CGI, short-form video and visual storytelling. Skilled in After Effects, Premiere Pro, Blender, Illustrator, Photoshop and Figma, with hands-on experience in typography animation, 3D modelling, lighting, rendering, colour grading, compositing and social media content production.

CORE SKILLS

Motion & Visual Design: Motion Graphics, Typography Animation, Kinetic Typography, Visual Storytelling, Graphic Design, Social Media Content, Video Editing

3D & Post-Production: 3D Modelling, CGI / 3D Visualization, Lighting & Rendering, CGI Compositing, Colour Grading, Visual Effects (VFX)

Software & Workflow: After Effects, Premiere Pro, Blender, Illustrator, Photoshop, Figma, Video Production

PROFESSIONAL EXPERIENCE

Freelance Motion Designer & Video Editor

2024 — Present

Self-Employed | Remote

- Produced 30+ short-form videos and motion graphics for social media campaigns across multiple client brands, maintaining consistent visual identity and on-brand pacing.
- Edited and colour-graded reels and promotional videos in Premiere Pro, syncing audio, sound effects, transitions and titles to improve watch-through and engagement.
- Designed kinetic typography and motion graphics in After Effects for digital ad campaigns, translating brand messaging into short, high-retention visual sequences.
- Built 3D scenes, product visuals and CGI studies in Blender — covering modelling, lighting, materials and rendering — for product visualization and creative exploration.
- Managed end-to-end delivery for freelance projects, from creative brief and storyboard through final export, working directly with clients on revisions and deadlines.

SELECTED PROJECTS

Social Reels & Promos — Short-form edits with synchronized audio, pacing, transitions and text overlays for brand and campaign content.

3D Renders & CGI Studies — Blender scene builds, product visualization and lighting studies exploring photorealistic and stylized rendering.

Typography Animation — Kinetic typography, title design and motion graphics built in After Effects for digital campaigns.

Colour & Compositing — Colour grading and compositing of live-action footage, typography and 3D elements into unified final sequences.

EDUCATION

Bachelor of Computer Applications (BCA)

2022 — 2025

GNIOT Institute of Professional Studies, CCSU University, India
